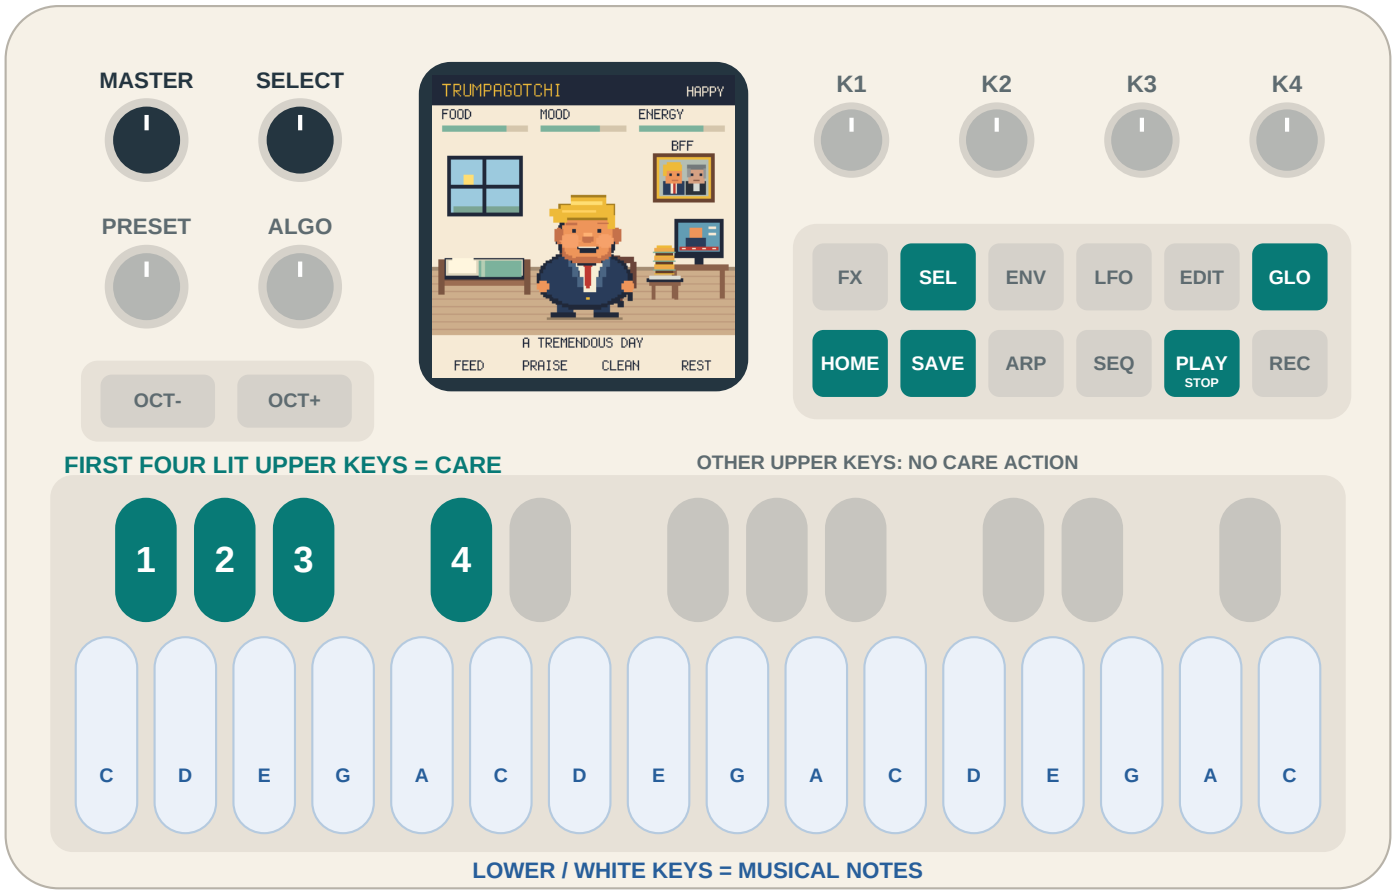
TRUMPAGOTCHI

QUICK START / M-VAVE FM-1

Feed. Praise. Clean. Let him nap. Then play something ridiculous.



UPPER / BLACK KEYS: THE FIRST FOUR, LEFT TO RIGHT

1 FEED
Give him a burger.

2 PRAISE
Lift his mood.

3 CLEAN
Remove the mess.

4 REST
Sleep / wake.

LOWER / WHITE KEYS: PLAY MUSIC

Goofy pentatonic notes. When happy, he joins on bongos - except during the news.

BUTTONS & SELECT

PLAY / STOP
Pause or continue. Needs, time and animation freeze.

SELECT / SEL
In GLO only: SELECT chooses; SEL confirms and lights.

HOME
Open / close Status and the key guide.

GLO
Start Over defaults to No. HOME / GLO cancels.

SOUND & SAVING

MASTER
Overall volume.

KEYBOARD SOUND
Dry notes, without reverb or delay. K1-K4 are unused.

SAVE
Save when music and speech are quiet. Changed progress also autosaves every minute.

YOUR THREE BARS
Food, Mood and Energy. Rest refills energy and helps mood; nights pass faster while asleep.

GAME OVER All three bars at zero? A short sound plays. Press any button to start fresh.

Greyed controls are unused in this version. Unofficial parody; no endorsement implied.
